Review of Japanese on Korean Soil

HE CONDUCTS DEFENCE OF PORT ARTHUR

General Stoessel is the Russian General who is in command at Port Arthur. He is the man who called for volunteers to assist in the defense; who has been told by General Kuropatkin that he cannot be reinforced, and must defend the place with the material he has; and who issued a proclamation asserting that the place would never be surrendered and that he would die in the last ditch and would never surrender the place.
